Brand History of marcheur

~The history of marcheur~

"I want to be beautiful forever"

It is a common desire for women.

In order to make this wish come true,
Marcheur has been being around with
customers who use our product.

Listening to customer's requests,
planning products and develop products by ourselves.
Even if it takes time and costs money,
we will never give up until the day that
we can confidently recommend
our products to our costumors.

Marcheur has made advancement
because of customers are always there,
and we always want to see them smiling.

Maybe our pace of progress is slow,
but what we cherish is a step by step.

We treasure every single customer,
who is using our products,
like treasuer the seeds sown in the earth carefully.
